

Loading and Unloading Zones

Vehicle Operators

All Vehicle Operators and Passengers MUST be in the designated driver waiting area at all times until advised by the crane or forklift operators that the loading or unloading process has been completed.

Crane Operation

Loading Crew personnel MUST stay in the GREEN (Safe) zones, or with permission of the crane operator within the YELLOW (Caution) zones.

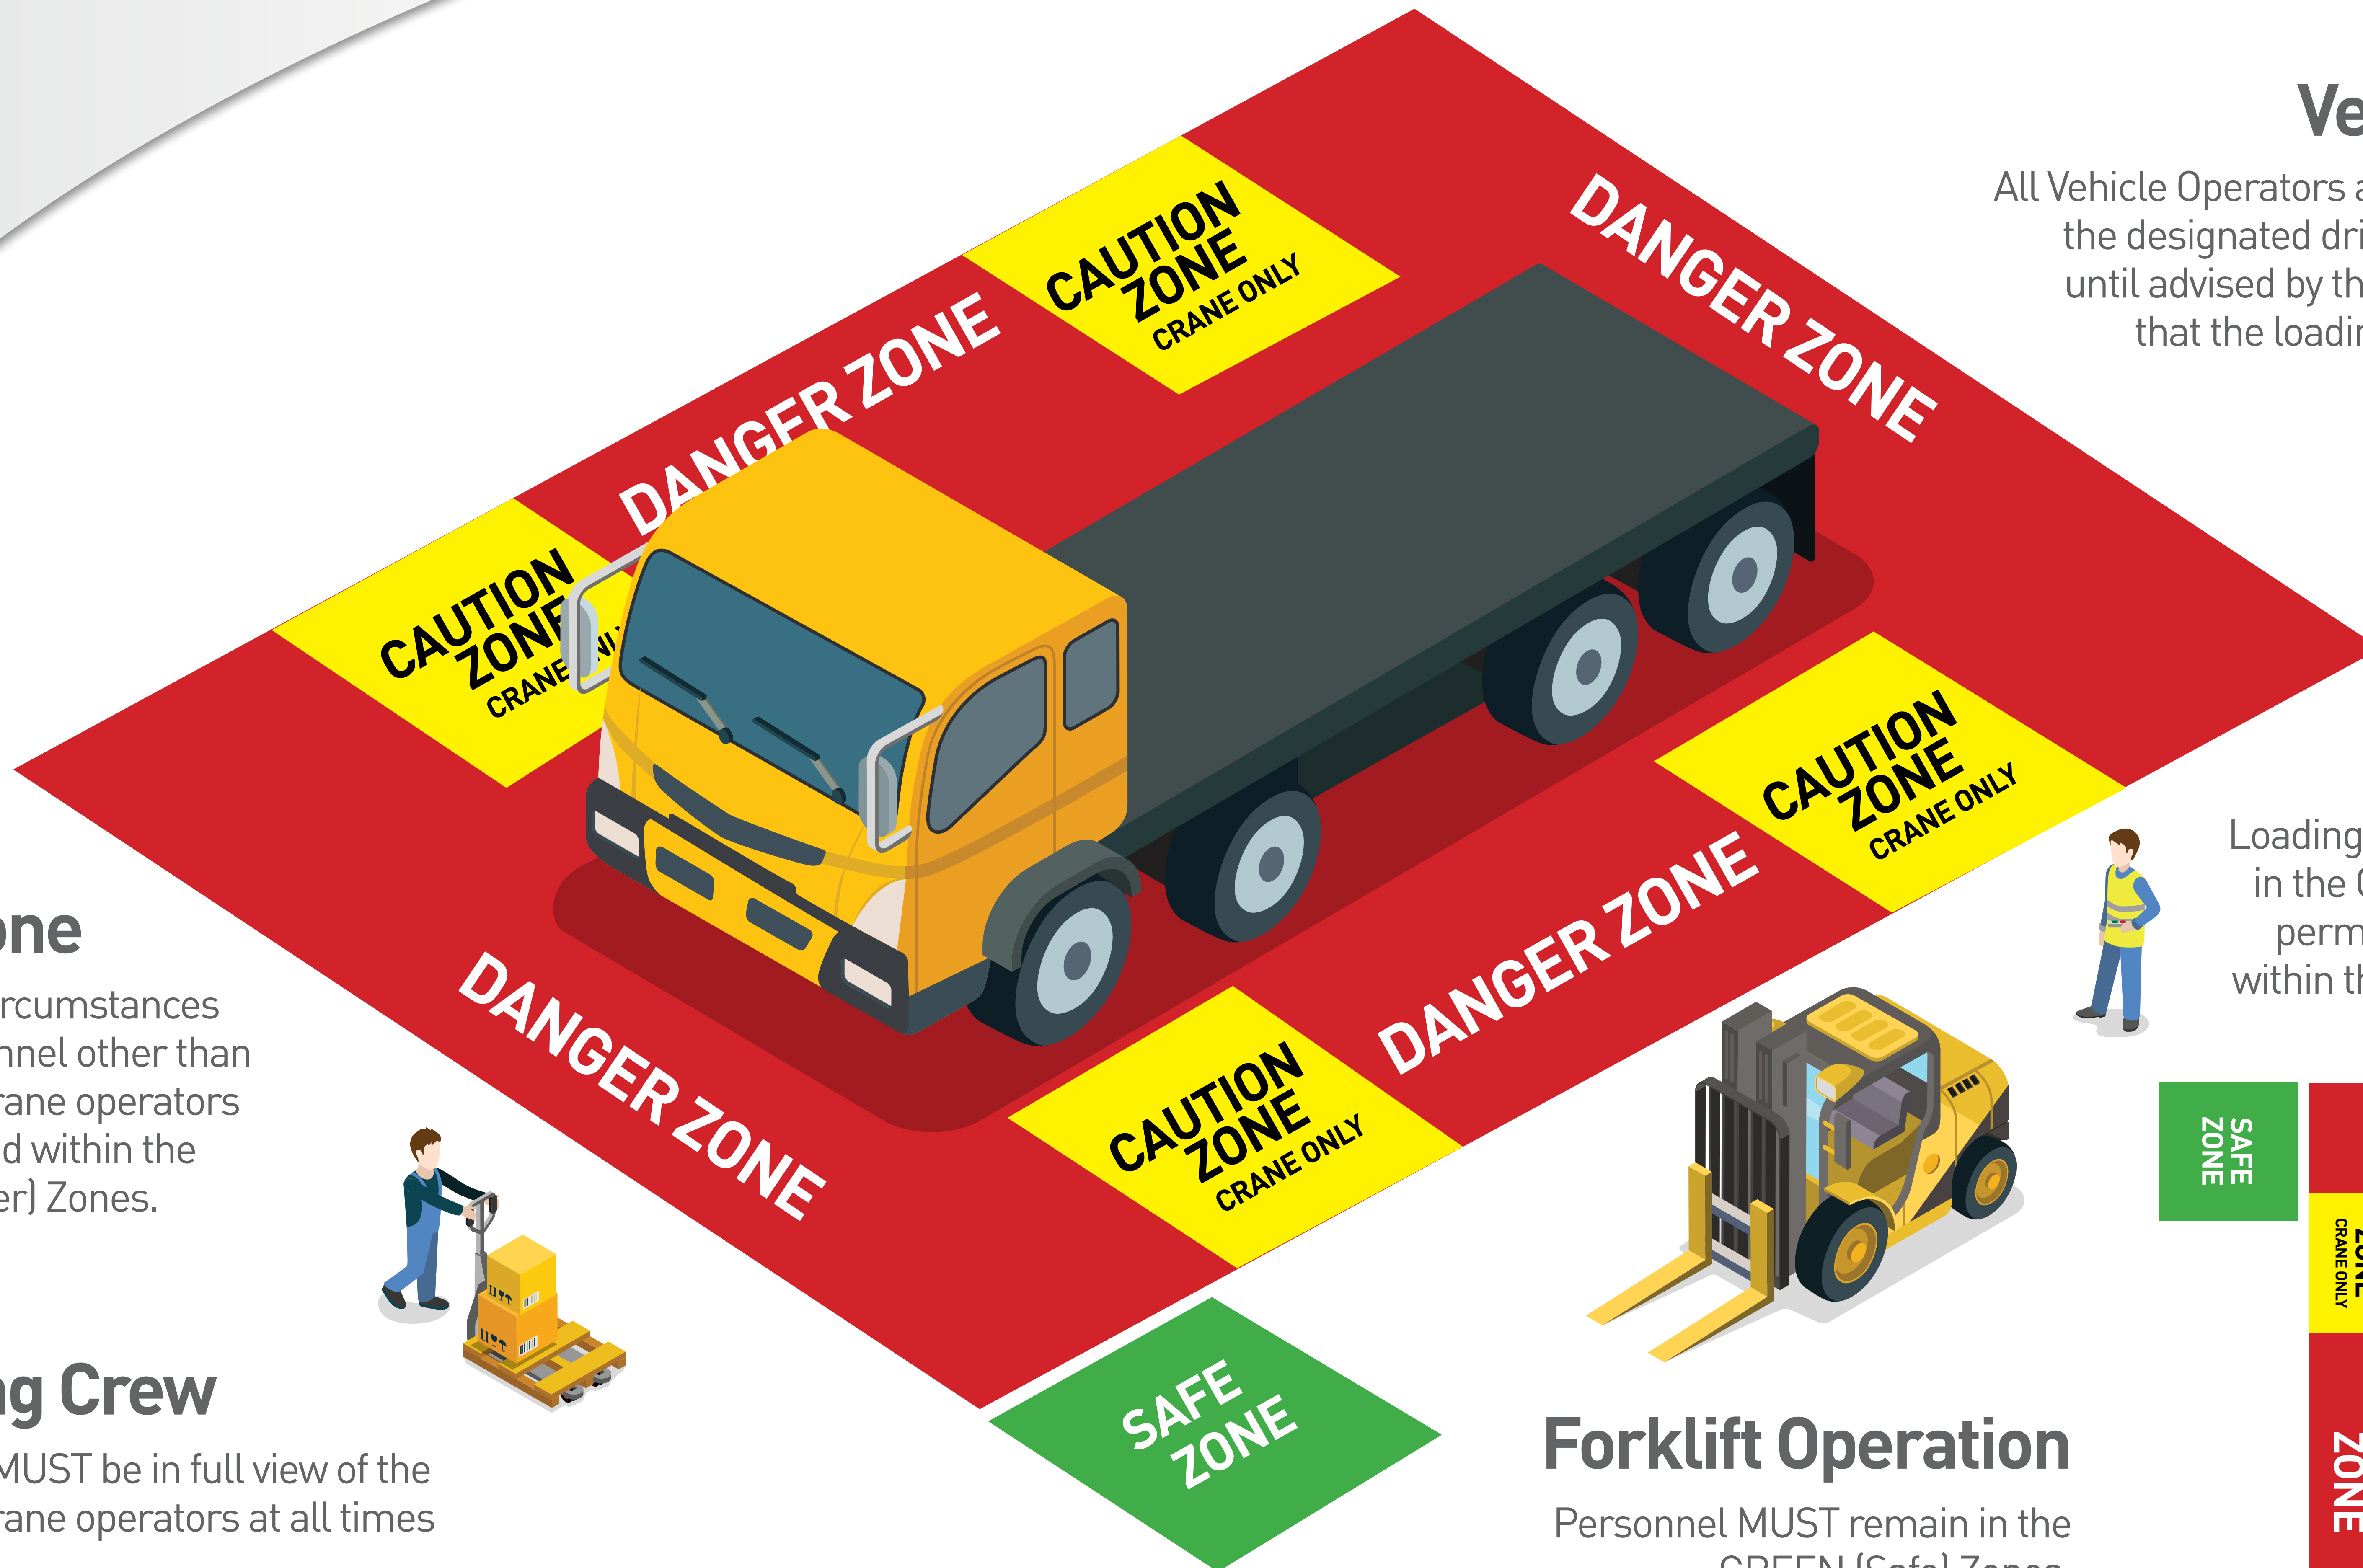

Red Zone

Under no circumstances shall personnel other than forklift or crane operators be permitted within the RED (Danger) Zones.

Loading Crew

Personnel MUST be in full view of the forklift or crane operators at all times

Failure to comply with these requirements will result in Loading or Unloading activities ceasing

Forklift Operation

Personnel MUST remain in the GREEN (Safe) Zones.
